Women of the Word Bible Study

Join the Women of OLPH in a 4 week study titled Prayers of Faithful Women; exploring the prayer lives of 8 women in scripture - 7 Old Testament women, plus the Magnificat of Mary - in order to learn something from each of them about what it means to have an ongoing conversation with the God who loves us.

This will be a wonderful way to reflect on God's word & to connect with women of the parish. Meetings will take place after the 11:30am mass Sundays in June with fellowship from 12:30pm-1pm followed by group study from 1pm-2pm in the Garden Room. The Bible is available for purchase through multiple websites or I. Donnely. Although this is a wonderful women's Bible, any Bible may be used. If you need financial assistance to purchase, please reach out to the parish office.

Call or email the parish office to sign up or to receive more information.
